# PROCHEM

# All Fiber Deep Clean (S103)
## Low pH Detergent and Rinse

## FOR PROFESSIONAL USE ONLY

### Acidic extraction rinse powerful enough for residential and commercial carpet cleaning and on many upholstery fabrics

**APPLICATION:** Extraction Rinse, Extraction Detergent, Fine Fabric, Upholstery

### DESCRIPTION
All Fiber Deep Clean is a concentrated low-pH emulsifier for use in hot water extraction of commercial and residential carpeting and water-cleanable upholstery. Excellent for use on both synthetic and wool fibers. New generation polymer technology encapsulates and crystallizes soils and pre-spray residues for maximum soil removal with minimal residues. Safe for stain-resistant carpet and wool.

### FEATURES:
- Breaks up tough oily and particulate soils
- Special polymers inhibit browning and wicking
- Saves cleaning time, avoids expensive callbacks
- Safe for use on water-cleanable wool carpet and upholstery
- Neutralizes and removes alkaline residues
- Leaves no sticky residues to promote re-soiling
- Makes routine vacuuming more effective
- Restores appearance, brightens dulled colors
- High-temperature stable for today's truckmount use
- Use with Olefin Pre-Clean for maximum performance on olefin

**WHERE TO USE:** For extraction cleaning of wool and synthetic commercial and residential carpeting to restore appearance and prevent browning and wicking. Use as a 2-step process with Olefin Pre-Clean for maximum performance in cleaning olefin carpets and fibers. Excellent choice for cleaning water-cleanable upholstery.

### USE DILUTION:
**Truckmount:**     1 qt. (32 oz.) per 5 gal.
**Portable:**          2 to 4 oz. per gal. of water.

### USE INSTRUCTIONS:
For best results, pre-treat spots and soiled traffic lanes with an appropriate pre-spray before extraction.
**Truckmount:** Mix one qt. (32 oz.) All Fiber Deep Clean per 5 gal. of water to make truckmount concentrate. Meter at 2 gal per hour for lightly soiled carpet, up to 4 gal per hour for heavier soil levels.
**Portable:** Mix 2 oz. All Fiber Deep Clean per gal. of water for routine cleaning, up to 4 oz. per gal. for heavier soil conditions. Use maximum portable heat available.

**COVERAGE:** One gal. makes up to 65 gal. of ready-to-use solution. One ready-to-use gal. cleans approximately 400 sq. ft. Coverage will vary depending on soil level and thickness and absorbency of carpet.

### USAGE TIPS:
- Pre-treat carpet spots and soiled traffic lanes using an appropriate spotter or prespray before extraction, for best results.
- Use All Fiber Deep Clean where you would use an emulsifier or acid rinse.
- All Fiber Deep Clean has additional cleaning capability than All Fiber Rinse and other acid rinses. It is a true low pH cleaner in addition to acting as a neutralizing rinse.
- Excellent choice for water-cleanable upholstery cleaning.
- Use dry extraction passes after carpet is clean to speed drying, or go over carpeting with a dry spin bonnet.
- Do not mix with alkaline cleaning detergents or additives.
- Do not mix with cationic deodorizers.
